## **KEEP OUT OF REACH OF CHILDREN AND ANIMALS**

**Ultrakill All Purpose Aerosol** for crawling insects has been specially formulated to provide long lasting control on treated surfaces, fast kill on direct contact and good flushing action.

### **WARNINGS:**

Extremely flammable aerosol.

Pressurized container: may burst if heated. Causes skin irritation.

May cause an allergic skin reaction.

Causes serious eye irritation.

May be fatal if swallowed and enters airways.

May cause drowsiness or dizziness.

In case of poisoning, call a doctor and make this can available to him/her.

Do not spray uninterrupted for more than 10 seconds in confined spaces – ensure good ventilation.

Very toxic to aquatic life with long lasting effects.

### **PRECAUTIONS:**

Keep away from heat, hot surfaces, sparks, open flames, and other ignition sources. No smoking.

Do not spray on an open flame or other ignition source.

Do not pierce or burn, even after use.

Avoid breathing mist, vapours and sprays.

Wear impervious rubber gloves and boots, protective clothing, and chemical safety goggles.

Do not use in the presence of persons with known sensitivity to pyrethroids. In case of signs of sensitivity, obtain medical advice.

Do not spray on food, utensils, animals or plants.

Do not use as a space spray for flying insect control.

Remove pets and seal aquaria (fish tanks) airtight before spraying.

Wash hands and face thoroughly after handling.

Call a poison centre if you feel unwell.

Take off contaminated clothing and wash it before reuse.

May stain plastic material and highly polished surfaces.

Protect from sunlight. Do not expose to temperatures exceeding 50 °C.

Store locked up.

### **RELEVANT SUBSTANCES:**

All relevant hazardous substances within the formulation:

1% Propoxur

0.5% Dichlorvos

< 1% Triethylorthoformate

> 10% Acetone

> 25% Solvent DB

> 25% Butane 40

### **SYMPTOMS OF POISONING**

NO KNOWN SYMPTOMS.

### **FIRST AID TREATMENT**

**IF ON SKIN:** Wash with plenty of water and non-abrasive soap. If skin irritation occurs: get medical advice.

**IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical advice.

**IF SWALLOWED:** Immediately call a POISON CENTER. Do NOT induce vomiting.

**IF INHALED:** Remove patient from source of poisoning to a well-ventilated area. Call a poison centre.

### **NOTE TO PHYSICIAN**

Treat symptomatically.

**DIRECTIONS FOR USE:** USE ONLY AS DIRECTED.

**Ultrakill All Purpose Aerosol** controls ants, bedbugs, carpet beetles, cockroaches, crickets, fleas, fish moths, house flies and mosquitoes.

Residual control: Spray surfaces regularly crossed by crawling insects and where flies and mosquitoes settle until wet, to control them for up to four weeks.

Crack and crevice treatment: Attach the crack and crevice extension tube. Spray directly into insect hiding places for 1 - 2 seconds to drive all insects out.

Direct killing: Spray directly onto crawling insects and resting flies and mosquitoes for 1 - 2 seconds to kill them quickly.
